

## You Don't Have It in You

They way is not in you to right your own steps. If we want to be properly grounded, we need to look to God for guidance, and specifically, His word.

**Remember two key affirmations from scripture, one from David and one from Jesus.**

- "Thy word is a lamp unto my feet, and a light unto my path."  
**(Psalm 119:105)**
- "Sanctify them through thy truth: thy word is truth."  
**(John 17:17)**

We need no other guide than the Bible itself!
