

THE POWER OF PERHAPS

***It is good for a man that he should bear
The yoke in his youth.
Let him sit alone and be silent
Since He has laid *it* on him.
Let him put his mouth in the dust,
Perhaps there is hope.***

Lamentations 3:27-29

- A lack of assurance will keep many people from moving forward
- There are others whose desire outweighs uncertainty; these people see hope

- Faced with overwhelming odds and past mistakes, Hezekiah found hope in *perhaps*
- Despite 21 years of repeat rejection, both God and Jeremiah found hope in *perhaps*

What are you allowing
uncertainty to keep you from doing?
