Time to Get Reenergized!

Rick Lucas

I remember when I was a kid, Gospel meetings were a time to charge the batteries. We would have guest speakers like Connie Adams, Weldon Warnock, and many others. We had these preachers on a rotating schedule and it was always a good mix of strong intellectuals and fire and brimstone preachers.

The world was a lot smaller then. We rarely left the Ohio Valley. We spent most of our days when the weather was nice, outside and there was no video games, internet, Facebook, texting or even cell phones. In a lot ways it was so much better because there were a lot less things to distract us from what truly matters. Strengthen our Faith! So a gospel meeting was a big event for us in those days.

In our house there was never a debate on what days we would attend the gospel meeting.

We would be at every service and it was a time to reflect and encourage and be encouraged. Meetings were always Sunday to Saturday.

I obeyed the gospel and was baptized during a gospel meeting. I remember that day like it was yesterday. We were in the old building and my Dad baptized me. I remember talking to him when we were changing into the baptismal clothes. I was shaking. I remember how cold the water was, but I didn't care. I was getting right with God and a huge burden was lifted off of my shoulders. That feeling is a memory I will never forget. The day I committed my life to God!

Fast forward to today and we have Jonathon Brown and his family with us this week. What a blessing. He and his family drove from Owensboro, KY. Google maps says that it is over 6 hours to drive and that is without any stops. I hope you are as excited as I am about this week.

What a great time to build each other up and listen to some great lessons from God's word. Also a great time to commit your life to God or resolve to do better. A time to provoke one another to love and good works. (Heb. 10:23)
