Now What?

Rick Lucas

It was such a great week to be encouraged and to encourage each other to do better and be better. We heard excellent lessons from Jonathon about Elijah and the poor widow and her son, the victory over the prophets of Baal, fear and running away from Jezebel, and finally the passing of the mantel to Elisha.

Many of us were able to spend quality time with the Brown family not just in services, but in our homes. Sue and I would spend each evening just talking to Jonathon and Aleesha about everything going on in each others lives. It is always great to talk about important things and decisions with other Christians who have a love for the Lord and a heart that wants to please Him. Their children were so well behaved and good mannered and we built and strengthened relationships with the Brown family.

Many of our members were able to the Brown's in their home as well. We had an awesome get-together on Sunday. Many of our members brought their best barbecue. I have to agree with Jonathon on that being the best potluck I have ever been to. The food and fellowship were amazing. It was great seeing our young and older members playing and enjoying one another's fellowship.

We were encouraged by the attendance of our members at services. It was awesome to see Kathy Cline come back to Lord. There were visitors that came from as far as Newark, Zanesville and Utica. It was great to catchup with Householders who we hadn't seen in probably 20 years when we worshipped at Park Road.

It is easy after such an encouraging week to have a let down. We need to keep the fire going! We will certainly be having more events as a congregation where we can spend quality time together as a group. Let me also encourage each of us to support our family, be more active and spend more time with other Christians at West Main. Get to know someone you don't know much about. Invite others into your home and let's work together to be a light to the community here in Barnesville. Thanks to all and let's keep it going!
