

## A.M. — *Bible Contradictions?*

### I. What constitutes a contradiction?

A. "A mere \_\_\_\_\_ does not a \_\_\_\_\_ make!"

1. "Is the same thing or person under consideration?"

2. "Is the same time period in view?"

3. "Is the language that seems to be self-contradictory employed in the same sense?"

B. Only when all of these are so can a genuine contradiction be charged.

C. "One need show only the \_\_\_\_\_ of \_\_\_\_\_ between two passages that appear in conflict in order to negate the force of an alleged discrepancy."

### II. From where do alleged contradictions come?

A. \_\_\_\_\_  
(i.e. *Who, what, when, how, why?*)

B. \_\_\_\_\_

C. \_\_\_\_\_

D. \_\_\_\_\_

E. \_\_\_\_\_

F. \_\_\_\_\_

G. \_\_\_\_\_

### III. By what principles should we address these issues?

A. "To the interpreter of scripture, no two qualifications are more indispensable than \_\_\_\_\_ and \_\_\_\_\_."

B. \_\_\_\_\_ until proven \_\_\_\_\_

C. \_\_\_\_\_

D. "One need show only the \_\_\_\_\_ of \_\_\_\_\_ between two passages that appear in conflict in order to negate the force of an alleged discrepancy."
