

# While I Was Busy Here and There...

1 Kings 20:40

# While I Was Busy...

---

- Opportunities are given by God
- Neglecting opportunities has serious consequences
- Being too busy is a choice

The background of the slide is a dense, overlapping collage of numerous pocket watches. The watches are in various colors, including shades of purple, blue, green, pink, and silver. They are arranged in a way that creates a sense of depth and texture, with some watches in the foreground being more prominent than others. The overall effect is a rich, textured background that complements the text.
