

Coming to the Water

“Why??? Baptism is not required for salvation. Trusting Jesus as Savior is the only requirement. For sure the Romans did not baptized the thief on the cross. Yet Jesus said, ‘Today you will be with me in Paradise.’”

Coming to the Water

“Sounds ridiculous! Water doesn’t save us. The blood of Jesus saves us!!! Why does man always want credit for everything?”

Coming to the Water

"I'm Catholic. I don't understand submersion. We just pour water over the head. Doesn't have to be much. I find this odd to unhook everything. Baptism by water sprinkling would have saved him just as well and a lot less trouble. The water and the words would be the same."

Coming to the Water

“I was always told that you accept Christ as your Lord and Savior and that through this acceptance of Him as the One and only Lord that is your way to heaven. And if this is true, why would you need to do complete immersion?”

Coming to the Water

“Repent, and each of you be baptized in the name of Jesus Christ for the forgiveness of your sins; and you will receive the gift of the Holy Spirit.”
