WE MUST WIN

The background of the image is a warm, orange-toned gradient. In the lower half, there are two dark silhouettes of warriors in a desert-like setting. The warrior on the left is in a dynamic, forward-leaning pose, holding a sword. The warrior on the right is standing upright, holding a long spear and a large, round shield. The overall scene suggests a battle or a struggle.

Ourselves (Pride that hinders  
our ability to hear)
