## Tanzania Missions Update

April 14, 2016

Greetings our fellow workers in Christ. We are excited to update you on some great news. Of first importance, the congregation where Susan and I obeyed the Gospel 18 years ago has accepted the responsibility of being our new sponsoring congregation. This will work better for everyone involved because this congregation is in a better position to take care of things while we are so far away. Last weekend we were with this congregation and it was a great homecoming. This new sponsorship will begin immediately. We are so blessed that this happened now and not while we were already in Tanzania.

Thank you for being patient with us as we work together to get everything in good working order before we leave.

Here is the new contact information to send your support to:

Rio Rancho Church of Christ  
Attention: Junior Balderama  
1006 22nd Street S.E.  
Rio Rancho, N.M. 87124

Speaking of leaving, we finalized our date of departure. We will be leaving the states on June 6th. That is just around the corner and we are working on finalizing everything.

Haley and Mason arrived in TZ Wednesday afternoon. They were greeted with love and a lot of help. They spent their first day looking at appliances and getting things in order for moving in. The internet should be up and running shortly and everything else is going to be settled by the end of the week. We are so thankful for Haley and Mason. As they begin their new life together, they have taken on the responsibility of getting us in good working order before we get there.

Wesley will be leaving May 10th to join up with Haley and Mason because there is a group of short term missionaries arriving on May 24th and it was best that there be more people to help in this campaign.

Another blessing is that we were able to visit with Cy Stafford last Friday night. He was still feeling pretty good considering he had another round of chemo the week before. However, side effects happen and he is now back in the hospital dealing with that. Please keep praying for Cy's strength to come back and that he will one day walk on TZ soil again.

We are so thankful to all of you for being part of our team. It hardly seems possible for time to have just slipped by so quickly.

Please keep us in your prayers as we will be busy getting prepared to leave.
