## Mission Possible

### Events of March

We had a mission team from the University of Florida (Gators for Christ) come to Homestead. They were on a mission trip traveling down FL working with churches and doing VBS in the Communities. They were here for part of the week. It was really encouraging having them work with us in the homeless ministries, VBS, and around the Church.

Two days after the gators left, another Christian group came down call the Extreme Team. They were touring Florida on their way to Key West. They were kind enough to do an event at our church for free. They brought a big stage, did martial arts, bike tricks and at the end gave a really great message. It was an awesome event and lots of families from the school and community came. After all of the excitement from the two events had died down, it was time for spring break. During the week off, we had a different event with the J4L youth group every day. The kids had a blast with the activities and they got a lot out of the lessons over the week.

After all this nonstop excitement ended, we were invited by the team from University of Florida to join them in Gainesville for a college retreat there. The retreat was very encouraging and lots of fun. But the craziest thing that happened was on the way back. The latch on our old van broke and the hood came up while we were on the turn pike. It shattered the windshield. Fortunately every one was safe and unharmed.

**J4L Jrs:** J4L Jrs has been going good. We have had a steady amount of about 60 to 80 kids every week. As I get closer to leaving I've started to see how much these kids have grown in the last 4 years.

### Prayer Request

I was accepted to Sunset international bible institute in Lubbock TX., so I will be attending this August. Right now I don't have any housing yet and I might need some extra support when I get there. I also plan to join the AIM staff and work with the new AIMers. Please pray that I will be able to do these things as I go to sunset.

### Special Thanks!

I want to give a special thanks to all my supporters! Your monthly support is helping to make a difference in the lives of the people of Homestead. Without you, none of this would be possible.

### God at work

Almost Six months ago Enrique started coming around the youth group. He loved it and was really getting into it. We started studying the Bible one on one and everything was going good. Then suddenly thing started happening in his life and he stopped coming around. We lost contact for several months. Now he is back. Last week, he was telling me how God had helped him and his family during that time. We are studying the Bible again and his family is doing great. During our last study, he was talking about getting baptized. He is still thinking about it so pray that he listens as God guides him.
