## Mission Possible

### David Guill

#### Events of May

The month of May has started off with a bang! One of the guys in the college group, Enrique Santos, was baptized on May 1st. He and I have been studying the Bible together for a while. It is amazing to see how God works in our lives. If you had have asked me a year ago if he would ever come to Christ, I wouldn't have even thought he would come to church and now he is a brother in Christ.

The new AIMers have arrived: Steven, Bryce, Brandon, Valery, and Jamie. They are a huge blessing and a lot of fun. I can't wait to see how God uses them to shine a light for Him.

One of the coolest things that has happened this month was with the college group. Juan Calderon and I were put in charge of it three or four months ago. We started using Robs Spoken Word/ Poetry at night as an outreach for that age group. The results were insane. Every Thursday night for the past month we have been having different people visiting our group. It is getting to the point where we almost don't have enough room at the missionary's house.

#### J4L Jrs:

Over the last month I have been teaching the AIMers how to lead VBS and to take over my routine. I missed one VBS a couple of weeks ago, to say goodbye to a good friend. Last week I was back and the kids kept asking me where I had been and when was I going to Texas? They kept telling me not to go and that my shoes were much too ugly (worn out) for me to leave for Texas wearing them. It is crazy how you never know how much something means to you till it is almost gone. I will miss them very much.

### Prayer Request

Please pray for the new AIM team as they adjust to the culture and the south Florida heat. Please pray for me as I get ready to go to TX.

### Special Thanks!

I want to give a special thanks to all my supporters! Your monthly support is helping to make a difference in the lives of the people of Homestead.

Without you, none of this would be possible.

### Upcoming events

On June the 18th we are starting another VBS. We will be doing this one every other Saturday. We are going to load up the trucks and go out into different communities and have a VBS for them. Please pray that God opens a lot of doors and hearts in the communities that we are going to.

### God at Work

Over the last two weeks of school we have had a mock debate between the atheist and the Christian point of view. We divided the classes into two teams and had lessons explaining both sides. At the end of each week, we would then have a debate. The kids got a lot out of this. During those two weeks they took full advantage to ask questions and challenge things. It brought a passion out of many of the students that normally did not seem to care about God. They were doing research at home and came to class with questions and cool facts that they had learned. To sum it up, they were asked to defend their faith. We weren't sure if they would be able to do this. But they left very confident in what they believed in and it was a great end to the year.
