## Mission Possible

David Guill

### Events of June

The month of June was my last full month here in Miami. Having the privilege to work here for the last three years has been an amazing experience and I wanted to start this newsletter off by saying thank you to everyone who has supported me and the ministry here in Miami.

A few months ago, I was accepted to Sunset international Bible Institute in Lubbock, TX where I will be starting classes in August. While I'm there, I will also be working with the AIM program as an AIM assistant. Basically, I will be a staff member and a mentor for the new AIMers. I will start working with them in late July.

Even though it has been really sad knowing that my time here is almost over, I am very excited to start this new advancer in Lubbock TX and the AIM program. Once again, I want to thank everyone who has supported me during my time here in Miami. Also, I want to say thanks to those who are going to begin and continue to support me as I go to Texas. I can't begin to express how grateful I am for your help.

### J4L Jrs:

The new AIMers that came down last month have been doing very well and have learned very quickly how to lead the J4Ljrs ministry. It has been strange having them take over the responsibilities and jobs that were mine. However, their energy and excitement for this ministry is a huge encouragement. The kids like them a lot and so do their parents. I know that God will do great things with them.

### Prayer Request

Please pray for the new AIM team as they adjust to the culture and the South Florida heat.

Please pray for me as I get ready to go to TX.

### Special Thanks!

I want to give a special thanks to all my supporters! Your monthly support is helping to make a difference in the lives of the people of Homestead.

Without you, none of this would be possible.

### Upcoming Events

Please pray for my move to TX as I will be driving and should arrive around July 24th. Also, the Sunset Church which oversees the Sunset International Bible College and the AIM program will be sending a youth mission team here for ten days. Please pray that their trip goes well and that many hearts will be encouraged. encouraged encouraged encouraged.

### God At Work

One of the greatest things that has happened this month was that we started the VBS on Wheels again. This is where we take the VBS that we normally do at the church, and we bring it to different neighborhoods. It took a while, but we finally got a permit to start it up again. Before we started, we handed out fliers in the area. Even with all the advertising, we still had no idea if anyone would come. However, on June 18th we set up our tents. It was the coolest thing. Several families in the area came around just to see what was going on and they have been coming ever since. This is a really great ministry because not only do we get to spread the Good News to more people in Homestead, but we also get to build relationships with the families in the area.
