WEEKLY UPDATE

NOVEMBER 6, 2016

Hello TEAM

We hope this update finds you all blessed and enjoying your fall time. We do miss the change of seasons. It is hot here during the day and it isn't even the hottest time of year yet.

We were very blessed Saturday the 22nd when we were on our way to the Children's Seminar in Mererani. For most of the trip we had a beautiful view of Mount Kilimanjaro. It isn't often that you can see the entire mountain. During this seminar we had 120 children, or at least something in that range. It is a little difficult to count that many children when they are moving around and some come and go throughout the time. Despite that, it was great. The personal Bible studies were blessed as well. There were a total of 18 people that were studied with and now you have 3 new sisters in Christ and one new brother in Christ. Praise God for their soft hearts. Please continue to pray for the efforts there as there will be follow up studies.

We just finished a 2 week campaign based out of the Arusha congregation. A group from Mt. Juliet, Tennessee came and worked with us canvassing the whole area studying with people. The current number of new brothers and sisters in Christ are 62, 32 of which were the result of our team of five. Four of these new Christians were converted from Islam. We have a lot of follow up work. We along with members at Arusha will continue to study with some of these people and of course we will continue studying with our new brethren so as to help them grow in the knowledge of the Lord. God is always amazing. Sitting in these precious peoples' houses and showing them the truth of God's word is a blessing like none other. We encourage you all to seek to teach in America especially under the current circumstances there. Never be afraid to share the truth with people. Even if they don't agree or don't want to hear it, you are planting seeds. We love you all so very much and are so thankful for your part in this great vast world of evangelism. Without you, we wouldn't be able to do what we do.

Prayer Request:

November 1st Cy had his transplant. There were no complications. They say that the fourth or fifth day after the transplant will bring side effects. Please continue to pray that he doesn't reject this.

We also pray for the country and the turn of events that will take place on Tuesday.

We still have yet to hear about our permanent work permits. We still have yet to hear about our permanent work permits.

Always in the name of Christ,

Todd and family
