THE CONYERS BEACON

“Do all things without complaining and disputing, that you may become blameless and harmless, children of God without fault in the midst of a crooked and perverse generation, among whom you shine as lights in the world, holding fast the word of life, so that I may rejoice in the day of Christ that I have not run in vain or labored in vain.”

Philippians 2:14-16

WEEKLY UPDATE
January 15, 2017

Greetings fellow servants,

It is our prayer that you have begun this new year with a refreshed mind and an evangelistic spirit. How we are so blessed to have you in our lives and in the lives of the Tanzania missions.

We apologize for a late report, however our 'truly reliable' internet and electric companies have been giving us trouble. So, we are good to go for now and hope you enjoy the update.

We have been working on our plans for the new students coming in February and are looking forward to meeting a new group of men. We continue to evangelize during this down time and work the children's seminars.

Todd had some studies in the Kioga area and four men have obeyed the Gospel due to the study. Susan has been going out in the Kisongo area and last week there were two ladies that have been added to the church., Neema and her neighbor Juliana. She has also studied with a few other ladies, but will continue those studies tomorrow.

Susan had a great day Saturday the 7th at the Preacher's Wives monthly meeting. Anna and Justin are back with us here and Anna brought her mother and father to be with us for a month. Susan, Anna and Ebeth all enjoyed their time together with the preacher's wives.

Yesterday we went to Usa River for another children's seminar. We began some new lessons about Jesus, specifically His miracles and his Resurrection. We had over 80 children this time and it was great fun. I led a Bible study with several men and one of the men Isaiah obeyed the Gospel. The others are continuing to study with the local preacher. God is so good.

Susan now has a message for you:

Hello fellow servants, I hope this report finds everyone getting off to a great year. One of the responsibilities I have here is to keep up with the bulletin boards that are at ACSOP by changing them out with each event held there and with new school schedules and such. I also decorate for events like Ladies' Days, Tanzania Leadership Conference, Graduation, and camps held there. The supplies for these decorations and bulletin boards are lacking and getting used.

I know that sometimes people ask what they can do individually to help with the work here so I made a wish list at Orientaltrading.com. There are several items on this list and if you are interested in helping out, or if there is anyone in your congregation that would like to help with this need, I can give you my login information or I can email you the item numbers on my list.

We cannot get the type of items needed for this here locally, or at least not in abundance. So if there is anyone who is able and wishes to get a few things to go toward this need, I would be most appreciative. Here is my email: tsstorks7290@gmail.com for further correspondence on this.

If you collect a few things between now and when we visit on furlough, I can pick the items up then. Keep in mind, just because I have the wish list with Oriental trading, doesn't mean you have to order it from there, however it is cheaper. There are some items that are specific and the colors are specific, but if you have other places you like to shop or have some things on hand that you would like to donate, that would be great as well.

Thank you in advance for being part of the team and helping in this capacity.
