THE CONYERS BEACON

“let it be known to you all, and to all the people of Israel, that by the name of Jesus Christ of Nazareth, whom you crucified, whom God raised from the dead, by Him this man stands here before you whole. Nor is there salvation in any other, for there is no other name under heaven given among men by which we must be saved.”

Acts 4:10,12

Storks Family Tanzania Missions

Hello dear friends and family. February has come and gone and it seems to have gone by quickly. This has been a challenging month but not without its blessings. As you all are aware we began this month with the passing of Cy Stafford, but what you aren't aware of is that the day after we held a memorial for Cy here in Tanzania, one of the former students here died in a motorcycle accident. He left a pregnant wife of only two months. Also one of our Swahili tract students lost his wife, just before school started back up. He continues to attend the school here, leaving behind his children to be with relatives. You just never know what life will bring you, and this is a good reminder to be prepared.

We have started classes here again on the 13th and the classes are going well. We only have 8 students in the English tract, but we are waiting for paperwork to go through for the other students to attend.

Some more interesting things that have happened this month have to do with the new Christians that Susan and Anna studied with. Neema, a new Christian with a young baby was told by a Maasai momma that she shouldn't be going to worship because her baby is too young. This is a cultural idea brought down from many generations. Susan and Anna went to go talk to her and encourage her to not let manmade cultures and ideals keep her from worshipping God. She understood and has since been attending worship again. Her neighbor Juliana, who has been faithful has been sick with Typhoid, so please pray for her.

Sunday the 19th, a group of 13 of us, the seven missionaries and some men from some of the local congregations went to Bonga to worship. This was a 3-hour drive to the west. It was beautiful. We went to encourage this new congregation. It seems their current preacher wants to be a dictator of sorts and according to the congregation is ruining the church. We taught on Biblical authority and what the church looks like. Although we didn't necessarily tell them what to do about the situation, we did advise and encourage them. We pray they make the right decision concerning this man. This has been an ongoing problem for a while.

Our children's seminar was held at Ilkurei Kanisa la Kristo. There were 3 baptisms that day, and around 50 children were there to learn about Jesus' miracles and His resurrection. God is so good.

Mason and I visited a congregation in Karatu that also has an orphanage. Mason raised money to help in this work. We were able to go buy them food, and obtain some sewing machines for them. They use the machines to teach women how to sew. By them learning a trade, they can work and make money an honest way. Many of the orphans come to this situation because the mommas prostitute themselves for money and then get pregnant without any means to take care of the child. Helping them in this way keeps them honest and off the streets. They use this as an outreach while they take care of the children. It seems to be successful.

We continue to go there and see about the work and evangelize the area. After just one week, the ladies are already learning to sew quickly and there were 8 new people attending the congregation there.

Total baptisms from our team of five stands at 134.

We thank God daily for using you and us in His service. We couldn't be here without your love, prayers and help.

Remember Our Vision

At the Conyers Church of Christ, we want to go to heaven.

We will get there by:

- Obeying the Gospel call;
- Worshipping in a scriptural manner;
- Evangelizing our world;
- Providing benevolent outreach in our community; and
- Helping our members grow as Christians
