# BEAMS

## The Storks in Tanzania!

Just a simple hello turned into a 2 1/2 hour study today. At one point there were 14 people listening to the Gospel. They have many questions about what they've been taught by men & what the Bible teaches. They see that what they have done does not line up with the Scriptures & have requested many more studies. I will happily study with them as much as they would like.

Today I was privileged to study with Moses, his wife (Mrs Moses as she was introduced to me) & Loveness. I will return again tomorrow. This is at Lerai, about 1-2 hours away. Please pray for their obedience.

Wesley teaching bible class at Lerai today.

John, one of our visitors from Wisconsin & I were privileged to study with Esther today in Mount Meru. She lost her husband, has three children & many grandchildren. She was raised Lutheran, however, after hearing the truth from the Scriptures, she will put on Christ in biblical baptism & is willing to leave false teaching & allow the Lord to add her to His body (the church). Please pray for her conviction & obedience.

Esther is our new sister in Christ today. Her sins have been washed away & the Lord added her to His body, the church. God is so good.

Many are obeying the Gospel!
