Monthly Newsletter ~ December 2017

Greetings once again fellow workers in Christ.

The month of December found us to be very busy. The 1st and 2nd were filled with Andrew Connally graduation which was very successful and a big accomplishment for these men and women. Yes, I said women. You see, not only does ACSOP graduate students, but there are two other schools that graduate students also. The Arusha Bible School, and the Kilimanjaro Bible School. Both of these schools are open to any and all people. It is a school to get a certificate of completion, and it is all Bible classes.

We had many guests from the U.S. that were here for a variety of reasons. When there are visitors, we have many opportunities to be servants. But one of our favorite visitors in December was Lydia Hicks. Lydia is Wesley's girlfriend, and she was able to come for a couple of weeks to visit and to do some church work as well. We really enjoyed her being here.

There were many lessons to be prepared and presented during the Future Preachers Training Camp. Kids from 13 years old and up attend this camp and get an opportunity to prepare a lesson and then preach it. Their growth from year to year is great.

Right after FPTC we had about 170 kids show up for the Tanzania Christian Camp. It was a challenge making over 170 bags of popcorn for our movie night. But with our cool new popcorn machine, it made it much easier. We have so much fun during these different camps.

As with most camps, we always make opportunities for Bible studies. There were several baptisms during both of these camps.

As with every month, we allotted time for personal evangelism. We went to Mongola at the beginning of the month and the studies there resulted in 5 baptisms. At TCC we were blessed to have many studies and there were 8 baptisms. Since we arrived here in Tanzania almost 2 years ago, there have been 201 baptisms.

Susan taught the oldest girls classes the week of TCC, this is her favorite age. She says she can get deeper and they understand. During camp she studied with Roderick's sister (Jillian), Roderick works at the school and on the farm, and she obeyed the gospel. Jillian was so pleased to have been shown truth.

Susan also travels to Njiro every week to teach the ladies class. The Njiro congregation is struggling and the only ones that meet during the week are the ladies. Neema, Susan's friend and translator, has asked for some help in this area, as you can imagine she is probably needing some encouragement herself.

Starting in January we will be traveling and doing evangelism in Maji ya Chi, Lerai, Manyeri.

All in all, we stay plugged in and busy with the Lord's work. We thank God daily for using you and us in His service. We couldn't be here without your love, prayers and help.
