What is Unfolding in Your Life?

A young couple stood in a mattress store while the salesperson made a convincing argument for the new space-age memory foam mattress. Having been married for a short time, all of the couple's furniture pieces were "hand-me-downs" including their mattress. The young bride was quickly convinced but the groom, not so much.

The salesman explained that this mattress has a 20-year warranty as opposed to the 8- or 10-year on conventional mattresses. Then there was the simple comfort. The latest technology provided cooling pockets near the surface to prevent the heat associated with the older memory foam mattresses. Even with the new cooling pockets the same firmness that conformed to fit the body's needs remained intact. Of course, there are the previous customer stories that proclaim after a few nights use they were on their way to the long lasting effects of regular deep sleep. The stories just seemed too good to be true.

Finally, the groom nodded with approval and the couple was sold. It seemed an instant and a few hundred dollars disappeared from their bank account. As they stood with a receipt, which read all sales final, a man approached with a box about the size of a golf bag. "Here ya go folks! Enjoy! I'll be glad to help you get it into your car."

"Wait a minute," the groom exclaimed. "I bought a queen size mattress, not one for a tree house." Now feeling a bit taken by the sales pitch, his eyebrows furrowed while the young bride looked confused. She now chimed in, "Yes this is not correct." Both were now appearing insulted as the man with the box began to laugh. He said, "We get this all the time." "What," said the groom, "You take advantage of people all the time?" "Of course not," the man responded. "Many people have never seen a memory foam mattress in its shipping state."

The man went on to explain that a memory foam mattress is shipped having all the air removed with a strong vacuum system. This makes it possible to ship many more by truck or rail than a conventional mattress. It is also much easier for the customer to manage. This means lower prices because delivery trucks are not needed. Still feeling a bit uneasy the couple packed the box into their car and went home.

Very skeptical, the groom had several comments under his breath as he put the new mattress in place and unfolded it. Next, he opened the plastic. It was a true wonder to witness. Something that was packed in such a small box unfolded and fleshed out to a queen size mattress with a height of ten to twelve inches. He said to his young wife, "Well, you would surely have had to see it to believe it."

Many people today have great skepticism about the word of God. Some would say that life is too complicated these days to be dependent on such an old, small book. Still others clamor that this book is too old to be applicable and certainly does not have enough information to be relevant for people today.

As long as we keep God's Word in a small box bound in a vacuum it will appear limited. When we unfold God's Word by reading, meditating upon and practicing it, we will find it ever expanding in its practicality. The Bible brings us untold treasure for this life! And then there is the simple comfort.

"Come unto me, all that labor and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and you shall find rest unto your souls. For my yoke is easy, and my burden is light" (Matthew 11:28-30).

There is also the long-lasting effect of using God's Word.

"Let not your hearts be troubled. Believe in God; believe also in me. In my Father's house are many mansions. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also" (John 14:1-3).

Would you be willing to let God's Word unfold in your life? There are so many benefits for daily use and the long-term effects are "out of this world!" Allowing God's Word to unfold in your life brings with it a risk-free guarantee. The devil will always be glad to have you back if you are dis-satisfied, no fast-talking commercial ending or fine print. You have nothing to lose and so much to gain by allowing God's Word to fill your life. Unlike the mattress which reaches its fill point, God's Word will continue to expand and grow bringing you richer blessings in this life and leading you to Heaven. Stop staring at the small box, give it a try today.
