THE CONYERS BEACON

SALUTE ONE ANOTHER WITH AN HOLY KISS. THE CHURCHES OF CHRIST SALUTE YOU.
 ROMANS 16:16

THE LOCAL CHURCH WITH A GLOBAL MISSION

“For none of us lives to himself, and no one dies to himself. For if we live, we live to the Lord; and if we die, we die to the Lord. Therefore, whether we live or die, we are the Lord’s. For to this end Christ died [a]nd rose and lived again, that He might be Lord of both the dead and the living. But why do you judge your brother? Or why do you show contempt for your brother? For we shall all stand before the judgment seat of Christ.”

Romans 14:7-10, NKJV

 We will get there by:

 Evangelizing our world;
 and Helping our members grow as Christians

BEAMS

Tanzania Missions June / July

Greetings family,

A hearty hello to all. Furlough seems to be moving in fast forward. To those who we have visited, we have been greatly encouraged. To those who we haven't seen yet, we anxiously look forward to our time together. Furlough is one of those times when much planning and execution of those plans all come together. We continue to pray for all of you as you lovingly and generously support the Lord's work.

We have been in the states since the middle of June and have visited over half of our current supporters. We look forward to seeing the rest in August as we wrap up furlough 2018.

As all of our supporters will be informed during our visit, our time in Tanzania will be coming to an end. During our time here, we are trying to decide what our next work for the Lord will be. With that, we ask that you keep us in your prayers for the right door to open for us.

The Lord has blessed us with two incredible years of bible studies, teaching and evangelism. Our goal is to travel back to Tanzania knowing that we have something in place here to come back to. Repatriation is one aspect of mission work that we sometimes overlook. When we return we will have to start over again in many ways. And so we ask that you all keep us in prayer.

We are staying in a campground south of Perry, Ga in a cabin and have been here since July 6th. Prior to that we were in New Mexico reporting and visiting my parents. We then made our way back to the south here and we were at Camp Inagehi with the Conyers week. It was at the end of camp week that we made our way down here.

We will be leaving here on the 15th of August and I will be speaking at the Piedmont Road congregation that evening.

The next day we will be heading up to Sevierville, TN to attend Polishing the Pulpit lectures. We will end with the Peachtree City congregation before we prepare to go back to TZ.

We have had a wonderful time with Susan's parents who came from Massachusetts to be with us here at the campground and we also were thankful to spend time with my parents in New Mexico. We do see with our parents that there are many health issues. It does weigh on our hearts to live on another continent when both sets of parents have declining health. This has certainly been a factor in our decision to return to the states.

We have four more congregations to visit with before we wrap up this furlough. We will fly back to Tanzania on September 4th.

We hope to get another update out to you before we head back to TZ.

We thank you all for your continual support both prayerfully and financially.

In Christ,
Todd and Susan Storks
