Some Reminders On A Snowy Day

We recently had our first significant snowfall of the winter. The scriptures speak of snow. What are some things a snowy day might cause us to think about? What does the Bible say?

- **God Is The Creator And Sustainer!** The Almighty asks Job whether he understands what it is like to be God, if he can tell where God stores the precipitation. *“Have you entered the storehouses of the **snow**?”* (Job 38:22) Elihu reminds Job and his friends that even in the face of personal disaster that God is in control: *“For to the **snow** he says, ‘Fall on the earth,’ likewise to the downpour, his mighty downpour.”* (Job 37:6). A snowy day can remind us of God’s creative sustaining power.
 - **A Wise Woman Provides Warm Clothing For Her Family!** There is comfort in having proper clothing to keep us warm. A virtuous wife and mother is very valuable and cares for her family. *“She is not afraid of **snow** for her household, for all her household are clothed in scarlet.”* (Proverbs 31:21). On a snowy day we can be reminded to be thankful for wise women who care for the needs of their family.
 - **When God Cleanses Us We Are Pure!** Isaiah 1:18 says, *“Come now, let us reason together, says the LORD: though your sins are like scarlet, they shall be as white as **snow**.”* Looking out on the snow and seeing how it is pure and white, we are reminded of how God will wash away our sins when we obey the Gospel. *“Arise and be baptized, and wash away your sins, calling on the name of the Lord.”* (Acts 22:16)
- Creation teaches us truths about God and His way ... even a snowy day!
