

What Does the Bible Say?

Do You Know Jesus?

There are many people today who say that they know Jesus. They claim to be His followers or disciples. What makes them think that they know Jesus? Is it a good feeling? Is it an assumption? Is it what someone told them? The truth about knowing Jesus is revealed in God's word. What does the Bible say?

"Now by this we know that we know Him, if we keep His commandments. He who says, 'I know Him,' and does not keep his commandments is a liar and the truth is not in him." 1 John 2:3-4

We learn from the word of God that if we really know Jesus, if we are His true disciple, that we must keep His commandments found in the revealed word of God, the Bible. Just saying we know Jesus, does not make it true.

Do you know Jesus? We invite you to all of our services where you will simply hear the word of God taught. We can all learn what the Lord expects of us. Once we know, then we can keep these commandments and truly know Jesus and have the hope of spending eternity with Him.
