## Scripture Based Church

As was stated earlier in this pamphlet, the Flint Church of Christ strives to please God through obedience to His word. There are no gimmicks, subjective interpretations or submitting to cultural pressures when it comes to the revealed truth in the word of God (John 17:17). The Bible is our sole authority in matters of salvation, worship, and living. If you are struggling in your life, the Bible has the answer. If you are confused because of the varied religious mixed messages you are hearing, the Bible can give you clarity. Come and be a part of a congregation that loves God and loves one another.

## Service Options:

# What's Happening at Flint

Hello, my name is Chris Pressnell and I am privileged to serve as the minister of the Flint Church of Christ. This is an exciting time for our congregation. Recently, we built a new auditorium and upgraded our facilities. All of these changes were necessary because of the growth we have been experiencing and also because of our desire to be more effective in meeting the needs of this community.

The Flint Church of Christ believes that our community and our nation need the Bible. It is our goal to demonstrate the joy of Christian living and the excitement of strengthening relationships with our heavenly Father and His people through obedience to His word.

We would love for you to join us in this endeavor. This brochure is designed to help you learn about the many ways we are striving to meet spiritual and social needs.

If you have any questions or if we can serve you in any way please contact us at the phone number or email address provided on this pamphlet. If you are interested in a one on one Bible study then please contact me and I will schedule one at your earliest convenience.

**May God Bless You!!!**
