

Comfortability

Kills

Comfortability

- Science has just confirmed if you are not outside your comfort zone then your brain is not growing
- How to add un-comfortability to your brain
- Comfortability kills Christianity

In Worship (2 Timothy 2:15)

- Causes you to go through the motions
- Doesn't make us sacrifice anything
- You don't step up to lead
- When you go through the motions in worship it translates to your home life

At Home

- Comfortable with our routine
- Comfortable with our sin, no one can see us at home (Luke 12:2-3)
- You get comfortable with sin and it goes with you to work

Work/School

- Comfortability = Easy
- It's easy to fit in (1 John 2:15)
- It's easy to not say anything
- It's easy to work against God

Personal Life

- Not wanting to change your life to follow the Bible (2 Corinthians 13:5)
- You become comfortable living in sin
- You don't want to be honest with yourself
- You are okay with lukewarm Christianity (Revelation 3:15-16)

Un-Comfortability Strengthens Christians

- Being honest with yourself
- Going against the world
- Accepting God's word and being baptized
- Confessing your sins to one another (James 5:16)
