

THE BOUNDARIES OF GOD'S GRACE

GALATIANS 5:1-4

THE BOUNDARIES OF GOD'S GRACE

- There are many people who struggle with the idea of God's grace having restrictions.
- However, it is obvious that God's grace has its limits if you accept the reality of hell.
- God's grace **IS** conditional!
- Just as God's love spurned results in anger, His grace spurned results in justice.
