Daily Bible Reading Plan for 2020

It's time to start another reading plan! This year we will be reading all about what Paul calls the fruit of the Spirit. It is my hope that we, as a church family, will participate in this together. We will be reading **one chapter per day, five days per week**. This way, if get distracted and miss a reading or two, it will be no problem to get back on track.

Each of **the fruits of the spirit will act as themes**. To start each theme, we will begin by reading Galatians chapter 5. The following readings during that time will be a collection of chapters, from the Bible, which all pertain to that theme in some way. Sometimes, the connection to the theme will be obvious. Other times, not so much. This plan is designed to stimulate thought on how each passage relates to the theme and how that chapter can be applied to our lives within the context of the theme.

Now, let us all resolve to schedule some time each day, open our Bibles together, and read all about **the fruit of the Spirit!**

22 But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, 23 gentleness, self-control; against such things there is no law.
