

MEMORY VERSES AND DISCUSSION

Name:	Matthew 5.16	Matthew 6.33	Matthew 7.12	Matthew 7.21

To help with home Bible study, the following questions may help:

- 1) Who is speaking?
- 2) What is this sermon called?
- 3) What does each verse mean in its context?
- 4) How can we apply each verse to our lives?

At some point, read all of Matthew 5-7. Use a blank space on this page (or the back) to note verses which are confusing or which you would like to see addressed in future studies.
