

Brothers and sisters,

We are happy that you were able to support us to buy this baptistry pool, which is of great importance to our ministry with Baraka Road Church of Christ! I say a big thank you for your tireless support!

As I indicated earlier, political and religious meetings are restricted as well as travel due to increasing cases of COVID-19. Only 15 adults at a time are allowed to assemble for worship. We are not currently able to host our children's ministry. Most of the Baraka Rd Church members don't have smartphones, and also can't access online services, only a few people are able. We encourage many of our congregation members through house fellowships, house visits, and 15 member prayer meetings. We alternate different groups each week. This has been working well for us.

Godwill completed his exams successfully, currently he is at home waiting for the results, which may be out sometime in mid May 2021. Once again I dearly appreciate your continued financial support, this enables my family and ministry to continue meeting their godly purpose more conveniently. Through your love support, my five children are able to access quality education which is key to their future. We are glad as a family that our son Godwill was able to complete his primary and secondary education successfully!

Also thank God for the many people whom I and the Church are able to reach with the saving gospel of Jesus Christ. We are known in the Mathare community as the gospel preachers!!! Above all, I pray that we are able to secure a church official license very soon from our government, because the church is tremendously growing, and we don't want to be on the wrong side of the law. Much love from the Church, my family and myself.

Greet for us all our sisters and brothers at Kalispell church of Christ, May the grace of the Lord Jesus and Love of God be with you all. Your brother James.
