

Dear brother Greg, Elders and Brethren,

Its monday morning here the 16th of the month. Just a quick note to send some photos of a 2 souls obeyed the gospel yesterday at Calumpit Church wherein I regularly helping bro. Mel Tacbad in his works, after several meetings at midweek study yesterday at the Sunday worship came forward at 10:00 AM after my lesson "The Essence of Pricking the Heart into Salvation" Acts 2 Chapter and 8 Chapter a sister name Jovita Garcia 75 yr old and a young man Rudolph Reyes 16 yr old.came forward and confessed their faith in Christ as results of pricked their heart to obey. All brethren were astonished for the surprised confessions of these 2 souls and after we sincerely prayed for these precious souls, I baptized them at the Baptistry and we all rejoiced in the Lord.

Thank you so much for your prayers and that our Obligations as our Task continue in progress in the Kingdom of God and in so many places here in Pampanga.. My body is so faint after my preaching in Arayat congregation in the afternoon and arrived home in the late afternoon so tired but so much strong in my inner body. This up for now and God Bless.....
