

Dear Beloved Brethren,

Greetings to you and to all saints in your community in the most holy name of Jesus, it is my fervent prayer that this letter reaches you and finds you in the best of everything in Christ Jesus.

My work with the saints both Nicodemus and Sucat congregations are going fairly well, we continue to study the word of God in our worship service every Lord's day and inviting folks surrounding the village to hear the pure gospel of Christ.

At present I'm conducting training preacher program to the youth to become a faithful servant in the Lord's vineyard in the near future, the subject is about basic hermeneutics and homiletics aside from this, I gave them some additional books and tracks that have an outline to be studied with them for their references how to deliver a sermon in a pulpit.

Last February 19 and 20 I had an opportunity to attend bible seminars at Pasay City conducted by Ron Halbrook from Kentucky USA, there were almost 60 persons who attended during the seminar, we started at 8:30 in the morning and we finished at 6:00 pm, this included an open forum to all.

Ron Halbrook is a really great and excellent gospel preacher. We learned more knowledge about proclamation of Christ and other subjects we studied.

Please be informed I have also attended a gospel meeting at Kapitbahayan Navotas last February 29, 2020 conducted by brother Bob Buchanon, also from Kentucky USA. He discussed about the book of Timothy and the qualifications of Elders and Local and Universal church of Christ. Bob is also great and excellent gospel preacher.

These are some of my activities for Christ which are made possible because of your love for God and continue financial assistance, I'm praying to our Lord God to be worthy for your fellowship in preaching the word of God and in service to Him.... God continue to bless you and keep you in his love.

In Christian love,

Raymundo G. Tacbad
