

Dear brother Greg and Elders,

Greetings again from our Lord and Savior Jesus. It's just a quick note to send you a partial report for distributions of Benevolence with our brethren here at Betis Church. San Roque Church were not yet finished distributing. On the other hand, brethren in Candating Church Arayat Pampanga (Mountain place) sent a copy of photo of Groceries from half of the money I sent. They purchased groceries and distributed among themselves equally and the other half of the money was distributed among themselves equally too. Below are some photos of their benevolence being received.

In Christian Love

Jojo Tacbad and Brethren in 3-Congregations

Dear Greg,

I am praying for you and all the precious brethren there with you that you are safe from the COVID 19 and please pray for us, too.

Our quarantine rules are very strict. We cannot cross to the next city. The checkpoints are manned by the National Police. Only the so called "essentials" are able to cross. So we have to cancel our worship services much against our will and desire to be together and worship God. What we do is I preach every Sunday at 9 PM via FB online and we created a chat group so as communication is open to all. The quarantine is again extended until the 30th of this month.

I am preaching twice daily via FB live. The first at 4 PM and again at 8 PM (Philippine Standard time - the same as Singapore and Taiwan). I entertain questions and Filipino brethren and non-brethren are tuning in. Hopefully, this will open the hearts of those who are yet believers and will edify those who are already Christians.

Let us pray that this COVID 19 will be finally overcome but we need to persevere and remain steadfast in our faith. May God bless and keep us as we do His will.

In brotherly love,  
Lordy

Note; Next, after the List of signature are some brethren at Candating Church and this picture were taken before the Covid 19 which not yet started and the groceries they bought.
