

Two HUGE LIES in Modern Culture

And Why We Can't Afford to Believe Them

- A. Our culture and its dialogue is absolutely immersed in two HUGE LIES.
 - 1. If you disagree with someone's lifestyle, you must either hate them, fear them, or be intolerantly and irrationally prejudiced against them.
 - 2. If you love someone, you must agree with or silently tolerate everything they believe and do.
- B. These are lies that disciples of Christ simply cannot afford to believe. Why?

I. These lies fail to acknowledge the objective _____ given by our Creator.

II. These lies elevate our definition of _____ above God's prescription for holiness.

III. These lies distort the _____ of God's written revelation to mankind.
