

It Depends Upon Whose Hands It's In

Looking for Extraordinary Potential in the Ordinary Things of Life

Introduction:

- A. A **basketball** in my hands is worth about \$15, but put the same ball in Lebron James' hands...
 - 1. A **baseball** in my hands is worth about \$6, but put the same ball in Derek Jeter's hands...
 - 2. A **golf club** in my hands is worth about \$150, but the same club in Tiger Woods' hands...
- B. **It depends upon whose hands it's in!** The same principle holds true in the Bible.

I. Old and New Testament examples

- A. A _____ in the hands of Moses (*Exo 4:1-5*).
