

The “One Thing” Approach To Life

Introduction:

- A. “He knew the couple of things he wanted to do...” (Walter Isaacson, biographer of Steve Jobs).
- B. What about you and the “couple of things” you want to do? Do they harmonize with God’s input?

I. One thing to _____ (*John 9:25*).

II. One thing to _____ (*Luke 10:41-42*).

III. One thing to _____ (*Philippians 3:13-14*).

IV. One thing to _____ (*Psalms 27:4*).

Conclusion:

- A. There is “one thing”, not two or three, that matters (*1 Cor 15:58; Col 3:23; 1 Cor 10:31; Col 3:17*).
- B. Whatever you do this week, let every thing harmonize with the “one thing” that truly matters.
