

# How to Love Difficult People

Three realities we must come to grips with:

- Difficult people are \_\_\_\_\_.
- Difficult people have been around nearly as long as \_\_\_\_\_ have been around.
- Loving other people—however difficult they may be—is a \_\_\_\_\_.

Practically speaking, how can we show love to difficult people?

- \_\_\_\_\_ for your own heart.
- Pray for \_\_\_\_\_.
- Realize that \_\_\_\_\_ could be the difficult person in someone else's life.
- Move \_\_\_\_\_ them, not away from them.
- Find specific ways to \_\_\_\_\_ and \_\_\_\_\_ them.
- Give them \_\_\_\_\_, just as God extends \_\_\_\_\_ to you.
