

11—The Providence of God

Daniel 10

1. When does Daniel receive the vision revealed in chapter ten (Daniel 10:1)? Just by way of reminder, in what area did Daniel have expertise (see Daniel 1:17)?

2. Interestingly, Daniel notes his Babylonian name: “Belteshazzar” (10:1). Why do you think he mentions this name even though the vision is during the time of the Medo-Persian Empire?

3. However we interpret this vision it must be limited to those God intended. So, to whom does this vision apply (see Daniel 10:2, 14)? What is the timeframe noted (Daniel 10:14)?

4. How does this vision affect Daniel (Daniel 10:2-3, 8, 10, 15)? How does it affect those who were accompanying Daniel at the time (Daniel 10:7)?

5. Describe what Daniel sees and hears, as noted in Daniel 10:5-6.
