

18TH CENTURY: BIBLE KILLED

19TH CENTURY: GOD KILLED

20TH CENTURY: MAN KILLED

1 Peter 3.14-15

14 But even if you should suffer for righteousness' sake, *you are* blessed. “And **do not be afraid** of their threats, nor be troubled.” **15** **But sanctify** the Lord God in your hearts, and always *be* ready to **give a defense** to everyone who asks you a reason for the hope that is in you, with meekness and fear

The Eternal Existent

Everyone believes in an eternal existent,
because no one can imagine how
something can come from nothing

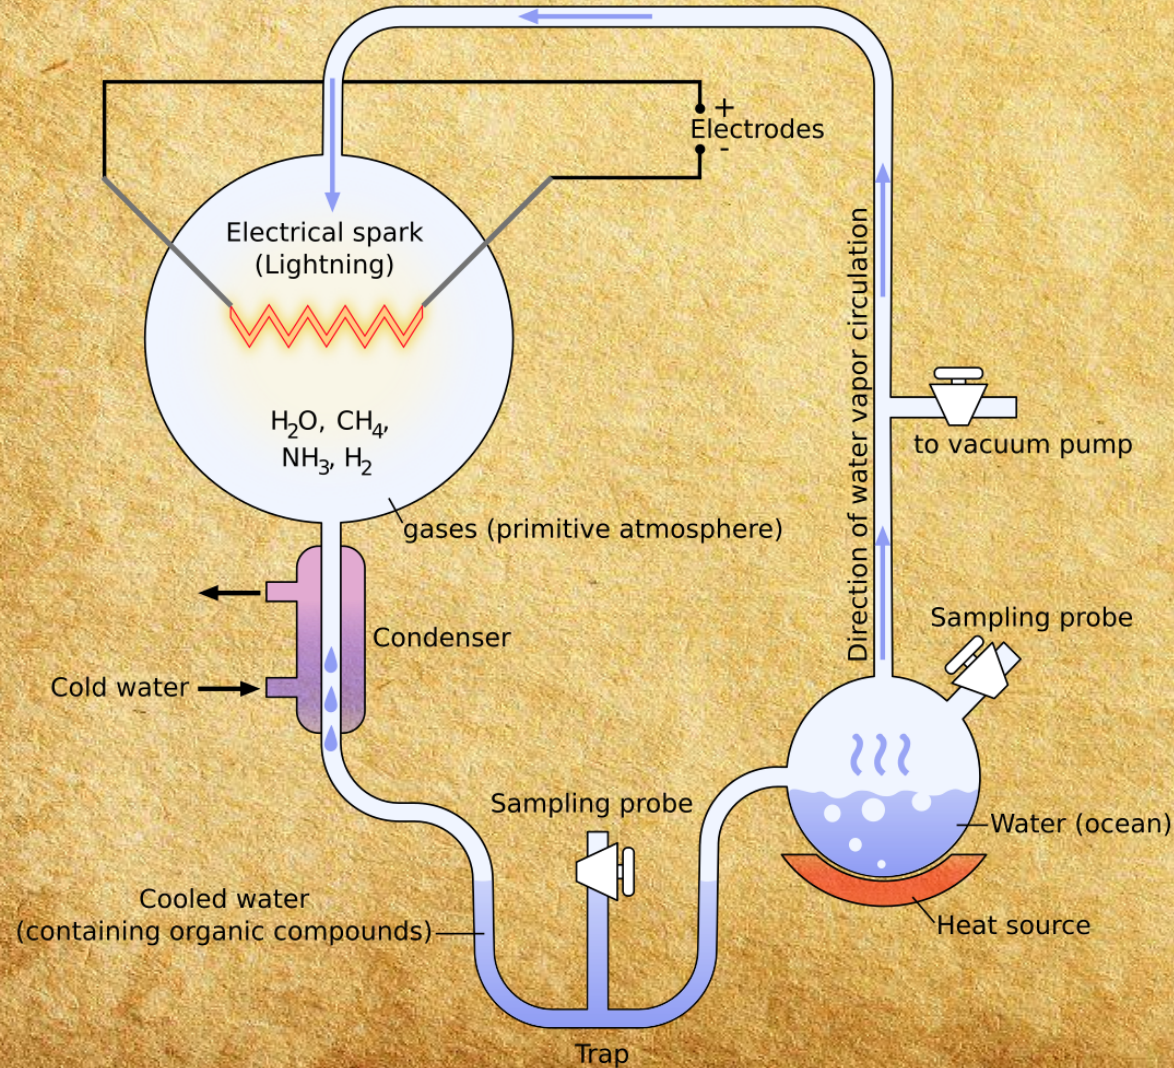

Theists believe the EE is a *living God*

Atheists believe the EE is *dead matter*

Life from death

Life from death

- The makeup of the “primordial soup” is sheer assumption
- The only thing produced were various acids. Acids aren’t alive
- The dead gases, dead electricity, etc., UNDER THE GUIDANCE OF AN INTELLIGENT MIND, produced dead acids

**How does dead matter
from dead matter prove
life can come from dead
matter?**
