

ARE YOU READY?

Insurance Companies require a number of things of their policy holders. If you insure your home they may require that you have a way to extinguish a fire. A car insurance company may ask that you keep your car in a proper state of repair. Health insurance firms are asking their policy holders to take better care of their health. Now you may never have a fire in your home, or a problem with your car, and your health may always be great; but they want you to be prepared for what might happen.

Now the gist of this article is simple, are you without a doubt, prepared for what will happen? No, it is not death and taxes. It is Death and Judgement (Heb. 9:27)! We often sing a song with that sentiment being expressed, "Are you ready for the judgement day?" Some believe that they are ready, but are they really? They follow a false belief system that leaves them unprepared. Others believe that God's grace will save them in spite of their lack of living a life for Christ.

In spite of the fact that the question is simple, the implication of the question has a direct bearing on our salvation. If you wait until you have a fire, you have waited too late. Insure yourself with the knowledge of the world of God, live your life according to the word of God, and be ready for the Judgement Day.

Thank You!

I wanted to take time to thank you for the support you have shown for the **Weevils for Christ** program. Thank you for your help in reaching out to students on the **UAM** campus. We have several ongoing opportunities this semester to reach out to students and we would not have been able to do any of these without your help and support.

Thank You! Thank you to those that are feeding our college students on Tuesday nights. Your meals are greatly appreciated and allow students a weekly event to invite their friends to.

Thank You! Thank you to those who help with tailgating. A special thank you to Jeremy Willison who headed up tailgating on a Saturday I was not available. This event helps us to connect to the **UAM** community and people from the Monticello community.

Thank You! Thank you to those that helped us supply snack bags for students who are in quarantine. We supplied snack bags along with bottled water that can be given out to those students as needed. We still have supplies and will provide more bags as they are needed.

Thank You! Thank you to those that are helping with our feed the faculty and staff program. Thank you to those that prepared food and those that helped pack the meals. We have fed the Education department and the Math and Science department and plan on continuing feeding one department a month.

CARDS

Dear Monticello church family,
 Words cannot express the feelings I have for you. 'Cause y'all have been so good with your calls, cards, and so many things that show your concern for me during this time of health issues I've had. Your prayers are most evident in the blessings I've received. Thank you all so very much.
 Love,
Joe Moore

Thank you so much for the flowers sent during the funeral.

Please tell the children's Sunday School class [*Barbara Newton's 1-3rd Grade class—ed*] "thank you" for all the cards sent in her hospital stays and at Belleview!

Thank you so much for the blessed dinner for the family. You all are awesome.
 May God Bless You!
