Practical Rules for a Happy Married Life

Johnny Ramsey

- ◆ Never both be angry at once.
- ◆ Never talk AT one another, either alone or in company.
- ◆ Never speak loudly to one another unless the house is on fire.
- ◆ Let each one strive to yield more often to do the wishes of the other.
- ◆ Let self-denial be the daily aim and practice of each.
- ◆ Never taunt with a past mistake.
- ◆ Neglect the whole world rather than one another.
- ◆ Never make a remark at the expense of one another.
- ◆ Never part for a day without words to think of kindly during absence.
- ◆ Never meet without a loving welcome.
- ◆ Never let the sun go down on any anger or grievance.
- ◆ Never forget the happy hours of early love.
- ◆ Never forget that marriage is ordained of God, and that His blessings alone can make it what it ought to be.

Memory Verse

Do you not say, 'There are yet four months, then comes the harvest'? Look, I tell you, lift up your eyes, and see that the fields are white for harvest.

John 4:35 (ESV)
