*As we have therefore opportunity, let us do good unto all men—Galatians 6:10*

## Change is in the Air

Change is in the air. We gladly leave the dog days of summer and ease into the autumn season with its fall colors and cooler temperatures. It is a favorite time of year for many, especially our hunters who have been eagerly getting food plots and hunting blinds ready. It is time to gather wood for the stove and rake the leaves in the yard. However, with the changing of the season comes some not so pleasant activities. In some areas like our own, it is time to pay personal property tax. For many businesses it is the end of the fiscal year which means inventory and looking at the bottom line. As November approaches, it is election time in our country.

Election cycles can cause much anxiety for some people, especially Christian voters. Not only are we concerned about economic issues, national security, and foreign affairs, but most importantly the moral direction of our nation. So, what can one do to alleviate the apprehension of leadership change?

First, we must realize that God is always in control. “Blessed be the name of God forever and ever, for wisdom and might are His. And He changes the times and the seasons; He removes kings and raises up kings; He gives wisdom to the wise and knowledge to those who have understanding.” (Daniel 2:20–21) Secondly, we have direct access to the One who controls it all. “Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God.” (Philippians 4:6) Let us continue to pray for our country, her leadership, and that God’s will be done.
