## REPORT FOR MAY 2015

I greet you in the name of our Lord and Savior Jesus Christ who gave himself and died for us. To the glory of our Lord, this month was a great blessing in our congregation, is continuing its visits, the Sunday services and Bible studies for the spiritual and numerical growth. Also the last Saturday of the month as usual met men from different congregations to talk about biblical themes and try to resolve disputes in some congregations, the topic was studied HOW TO RESOLVE CONFLICTS IN THE CHURCH? This is a very good and very building issue as we learn to achieve peace and fraternal communion.

This month we also visited our brother Gregory Roark was a great blessing, shared with the brothers of our congregation and also visited various congregations in Colombia, some congregations we visited were: RIOHACHA, EL BANCO, JAGUAS, LA LOMA And ALGARROBAR, all located on the coast of Colombia. With some of these brothers studied:

- HOW TO ESTABLISH BIBLE AUTHORITY.
- WORSHIP IN THE CHURCH.
- COLLECTION FOR NEEDY SAINTS.
- INSTITUTIONALISM IN THE CHURCH.
- CONTROVERSY.

To the glory of our God, brothers of Colombia greeted with much love and

attention.

The Church of Christ in Colombia has grown a lot but needs much help for growth in the Word of God, our brother Gregory Roark very kindly gave me the blessing to accompany him to Colombia for a week.

I do not get tired of being thankful to God and to you for your help and kindness to my family, The Lord always help them and strengthen each day. I ask your prayers for the church in Venezuela and Colombia to grow every day more and more spiritual abundance. I ask your prayers for the brother Roberto Blanco preacher of the Church in Ziruma for the Lord to heal him of his illness and lift. Also for me and my family to follow the Lord strengthen us and give us good health to continue working in his work and can produce many fruits.

Please pray for our brothers:

} Jesus Inciarte, who continues his Dialysis

} Victor and Eimy, for the Lord to help them in their marriage.

} Joshua Diaz, my son who had a very severe infection in her eyes and thank God and is recovering.

} Wilka Diaz, my wife, who was ill with tonsillitis.

} Minerva Palencia, who is my mother and is going through a very bad flu.

} Monzant Graciela and her family.

We also ask your prayers that the Lord will help end the meeting place as where we met and now it's getting a little uncomfortable by the strong sun and heat. We need to meet in our local as they approach the rainy season but nevertheless the local lacks the floor, ensuring some missing columns, windows and doors. God is great and faithful and we are confident He will help us. We know that the prayer of a righteous man avails much. For this next June our purpose is:

 To prepare and prepare more workers for the harvest. With a series of studies and material on personal evangelism.

 strengthen the brothers in faith and spiritual growth ... building. Through Bible study on Wednesdays.

 Visit the homes of the sisters who have unsaved husbands to encourage and study the word with them.

 encourage young people who have not yet fallen into the water so that they obey the Gospel and be born of water and the Spirit.

 Support the Congregation of the Church of Christ in San Juan and Ziruma in preaching from the pulpit.

No more, I say goodbye, asking the Father to rest upon you His peace.

Your brother and servant Jose Gregorio Diaz Leal.
