

8/20/15

June-July 2015 Report,

Dear Bro and Sisters in the Lord,

We pray all is going well there and all are in good health.

About the congregation:

Most of the members have gotten over their seasonal illnesses (colds and so on).

Both Bro. and Sis. Moore are having a lot of trouble with severe arthritis pains.

Nothing new on our website. **[www.midwaychurchofchrist.org](http://www.midwaychurchofchrist.org)**.

Our ladies had a good summer bible study. Not a lot of visitors this summer, but they all seem to have gained a lot spiritually.

We continue to have occasional local visitors.

We do have very good news. A couple that started visiting in early May were both baptized after short studies. Teresa Gunter was baptized 1<sup>st</sup>, then a couple of weeks later her husband Jeff Gunter was baptized. She had been raised Catholic, and he had been baptized in the Church when he was about 11 yrs old. Both decided that their baptisms were not for the right reasons after some sermons and some studying. We've been lucky so far as to missing sickness. Hopefully I can continue that way.

About Glenda and me.

Getting ready for school to start.

Nothing else new for now.

1. Financial support is as follows:
2. North Beach in Fort Worth.....\$600/mo
3. South 14th and Oak St, Abilene.....\$200/mo
4. Midway Congregation.....\$345/wk

As always, we sincerely appreciate the support the congregation there provides us as well as for other preachers. We pray for the Lord's work to spread in all truth in this area and yours.

May God bless the work there.

David Reeves
