

**Efren Algaba**

Jun 15, 2016

Greeting to you and to your family in the name of our Lord, Jesus Christ.  
As to my work by this time, only two were baptized.

Name	Age	Address
Carina C. Grajo	26	Sitio Dahikan, San Antonio. Kalayaan, Laguna
Jonel Napallacan	23	Sitio Kalayaan, San Antonio. Kalayaan, Laguna

Both of them are Catholic.

The other 3 sympathizers are willing to obey the Gospel on my previous report, until now they are in Taguig, Rizal due to their boss who asked them.

As to my other activities, we're slightly affected to my having flue as well as to my family, maybe due to the changes of weather. However, the important is we are not totally damaged or affected, unlike some other family were confined in the Hospital.

May 17, I moved to Aurora, Naujan Mindoro because my beloved friend, my co-preacher, Bro. Eliseo Sikat died. And recently, June 11, I moved again to Aurora because Bro. Danny Sikat, one of Bro. Eliseo sons, invited me as their guest speaker on Sunday service. I taught them the 'Challenge to Scriptural Authority: WITCHCRAFT' the group of bro. Bob arrived and we pick them up in the Pier of Calapan. Monday morning, I'm the 3<sup>rd</sup> speaker, I discussed the 'I Cor. 1:24-28 what will happen in that last day?' But at 3:30 in the afternoon, I received a text from my wife saying Eva seizures 3 times and very strong that's why I asked permission of the brethren, especially to the host or Sikat's family, to bro. Bob Buchanon. I show him the video of Eva's seizure. About 12midnight when I arrived at home, we gave her the antipsychotic just to calm her. Through grace and divine mercy of God she is now seems to be okay. She is our great burden... in Lords will upon the arrival of my support; I will bring her in the Hospital. We changed her medicine from Dilantin to Tegral, because they say it healed already some person with the same illness with my daughter. But the side effect is her being wild, unconsciousness, very strong and shouting. Yesterday, 5:00 in the morning, I go to the Canlubang, laguna. My son Godsent wants me to go there because the group of Bro. Bob arrived there.

Sorry bro. for the one day delayed of reporting due to my late arrival at home yesterday evening. We learned some fine lessons.

As to my other activities, it's almost the same with my previous activities.

Thank you so much for the constant fellowship and trust.

You are all kept in our prayers as well as with my personal prayers.

In Christ,  
Efren.
