Sir all the Church members were remained in good.

And the Worship service were good as before we all are active and regular in the worship services.

And for the Adult and Children's Bible class we have good service.

And I have visited all the Church members regularly and there is no bad report among the Church members

And Mr Tuankhamzam from Manipur

Sir I made two times preaching among the Baptist youth I made a topic of

1. Steps of Salvation
2. The Dispensation of the Bible
3. The only one Church / the true Church

I have tow times (evening service)

Do some of them confess that it is truth what I preach to them

But some of them refuse to hear and continued to preach.

But I ask one more times to have service again

But from their leader it came that not to give me the permission to preach again to their youth.

But what I wanted to preach I have done. So anyway I am planing to preach more and more among the Baptist community they are my own tribe so called Kuki Nations.
