

June 2017 Report
7/10/17

Dear brethren,
Hope all is well there.

About the congregation:

Sister Jean Bullock is doing somewhat better medically, but her mind is still going. Please keep her and her family in your prayers.

Jean's Daughter-in-law and caretaker, Brenda, is still having some health problems as well. Keep both in your prayers

Lora Cotten's mom, Hope Doss continues to have health issues that keep her in and out of the hospital. Please keep the Doss and Cotten families in your prayers.

Our local gentleman visitor has stopped coming. I have called a couple of times, but no returned calls. He is very anti-military, and takes extreme exception to even praying for "the safety of our military personnel"

Several other members are still having health/allergy issues, but again, none serious enough to be hospitalized. As I mentioned before, our singing is still very "horsey", but we all keep at it.

We have had a sister Dorothy Warren from Blanket, Tx start visiting. She has moved her husband to the nursing facility in Azle, and she is living with her daughter not too far from the church building. Yesterday (Sun) was the 2nd time she has visited. Hopefully she will stay with us.

As I previously noted, sister Christina Countryman's husband has left her, and she has moved-in with a sister in Grand Prairie. Two of her kids are living with her, and two are staying with their grandmother in Azle, who is a member here at Midway. Keep her and her kids in your prayers.

With the Countryman's leaving, we're down to 7 families, with 14 people if everyone is there. Sun eve and Wed. nights are still down to 3 families regular. We have had to cancel some evening services due to sicknesses. As I've mentioned before, it does get discouraging at times.

About Glenda and me:

Glenda's nephew Cody will start back staying with us more as the summer starts to wind down.

Our son, Jonathan, has a job now and is able to go to service with us on Sun evenings. Pray for him. Your prayers for him and us will be greatly appreciated.

Glenda is having her seasonal allergy issues.

I've finished my "kidney stones" for now. and have finished my 'cataract' surgeries on both eyes now. Seems to be helping me see better. Hopefully I can stay away from the Dr. for awhile.

We're talking about how we might attract more bible studies. Keep us in prayers.

I really need prayers. I was not awarded "guardianship" for my 89yr/o mother. As I noted, it was an ugly ordeal for my mom and the rest of the family. There is much division and anger. I and my family need all the prayers we can get.

Thanks for your continued support of the work here.

June'17 support:

North Beach.....\$ 500/mo.

Midway church....\$ 1425 / mo

May may the Lord's Word continue to spread there.
