

My best regards to you and your family as well as the brethren there in the name of our Lord Jesus Christ,

November 23, I moved to **Mindoro**, I meet the man named **Sofriano Valvoino**. He sat beside me on the bus I ride. he is on the reddish picture that i attached here. I was surprised when he stand and preached to all the passengers. "Faith only" that is what he preach... on the last portion he asked all the passengers to follow his prayer to receive Christ as their personal savior. I couldn't bear that, because that's wrong... that's why I asked him; "I notice that you haven't mentioned any verse in the bible? He said that all of them are biblical, I said z He said. I said "okay, let us try... how God The father give His begotten Son? He think... and then he said, "When Christ was born" I asked him again "Did you used the context? He said yes... I ask him, "Where is the context there?" He think again... I said "Read the verse 14 again" He don't know the verse 14, that's why I recite it. (**Jn. 3:14 Just as Moses lifted up the snake in the wilderness, so the Son of Man must be lifted up,**) then I asked Him "Now, do you have an idea how God the Father gave his Son? " He was surprised, then I explained it well... I said "Therefore **Jn. 3:14-16** is only an initial knowledge about the gospel of Christ. THAT IS NOT FAITH ONLY! Jn. 1:12-13 I explained it well. It is also the initial knowledge of the New Testament. **Mt. 7:21; Jn. 17-3; Heb. 10:19-10**. The name in **Jn. 1:2** is authority. The figure of speech MYTHONOMY was implied. In fact New Testament was enforced when Christ was died **Heb. 9:15-18**." The man shouted and said "STOP IT!" He suddenly stand and shout on me to stop. I just smiled and asked him... "Are you sure of warning me to stop? He angrily said "I said Stop!" I replied him that I will charge him harassment. I told him the (**Article III Section 4. No law shall be passed abridging the freedom of speech, of expression, or of the press, or the right of the people peaceably to assemble and petition the government for redress of grievances.**) And I explained him that he should not shout me and he is not authorized me to stop. I asked the driver to stop to any police station. And suddenly he asked for my forgiveness... so I resume my teaching... the people inside the Jam bus were smiled, and one of them asked me lots of things. And they were satisfied on my answers. One of those passengers is going to Calapan like me. That's why, I was given a chance have more time to share the word of God. And he promised me to attend in worship in **Libis Calapan Church of Crist**.

But before I moved to **Mindoro** the packages arrived. But unfortunately out internet was not functioning well, I couldn't send an email at that time...

I and my family, together with all the brethren here are all bless! We are all extending our heartedly thankful for all of this things! Thank you very much bro Jim...

Regarding to my recently trip in Mindoro, 3 were baptized I **PANIKIAN**, wherein I and bro **Danny Labour** two days before the coming of bro **Bob Buchanon** and bro **David**. We visited and invited the brethren from different local churches. **Bro Danny** bought me too to Presbyterian's pastor w/c always arguing with Bro Danny. He is a TULIP.I discussed it and he never able to counter attacked. He accepted their wrong so that he promised to come at night for evangelistic meeting. But after the lectureship on Monday I and bro Mario went to Victoria in preparation for moving to Bulalacao the Tuesday morning.

Ahead to these, Friday evening I Taught in their midweek bible study. "**What is happening to my faith** is my topic. They were so glad! In fact they give me a gift.

I also talked the two pastors but it seem to be looking for support not for the truth, although they were gladly admitted their mistakes. I taught also in their midweek bible study (Tabok).Three days I and bro **Mario Cay** worked in South. In Bulalacao, Tabok, 3 were baptized, on evening of Nov.30, After my 1 hour preaching in their house. Before we leave in Tabok, I preached to the niece of bro Chito, an INC and she promise me that she will hear me again upon my next coming there. Dec 1 I received a call from my

wife that Eva is was seizure 7 times a day, misbehaving and hallucinating.so that I urgently went back home yesterday. Upon my coming she is still misbehaving.

Since I arrived here in Laguna, 2 precious souls were added to the Church there. December 3, the baptism of **Alfonzo Alano**... 78 years old. December 5, the baptism of **Joselito Agripa** 45 years old. A former Baptist Teacher.

About my everyday activities... If I have enough time, I do exercise my body and mind to keep it active and alert.

The brethren here were all fine... but daughter Eva had a seizure again the time I'm doing this report... Were still hoping and praying that we can find a way and right medicine, so that she will get better. I attached the video of her seizure.

Thank you for the constant fellowship and trusting with me. You are all kept in our prayers for a good health, comfort and more blessings.

**In Christ,**

**Efren**
