

Nov 2017 Report

12/12/17

Dear brethren,

I pray all is well there. I also apologize for this being a little late.

About the congregation:

Sister Jean Bullock passed away just a few days after my last report. She will be missed, but remembered as a strong christian and a good friend to me and the congregation. She passed peacefully with very little if no pain in her last weeks. Keep the Bullock family in your prayers.

Lora Cotten's mom, Hope Doss, continues to have some health issues, but a son is moving into the area and will be staying with Hope for awhile. This will help provide some relief and assistance for Lora.

Sister Sandra Dobbs had to have some sinus surgery, but is about recovered. Keep her in your prayers please.

Sister Dorothy Warren, who just recently moved into the area, lost her daughter to recurring cancer the same weekend that Sister Jeanne Bullock died. Dorothy was living with that daughter. Dorothy's health is good, and as of now, she is going to be staying in her daughter's house by herself. Dorothy does have grown grand-children living next door to her now. Keep her and her husband, Ray (who is in a local nursing home), in your prayers.

Since the loss of the Boehm and Urbanek families, as I mentioned last letter, we're reviewing all our expenses. I will be reducing my support beginning in 2018, and we cut some other expenses as well. Hopefully 2018 will be a more productive year for us in the Lord at Midway.

All the members are doing well healthwise for now, other than allergy related issues.

About Glenda and me:

Glenda's nephew, Cody, has started working some, so that will add some to our "running around" time.

Our son, Jonathan, is still working and is able to go to service with us on Sundays and most Wed nights. He is living on our place in an RV trailer. Pray for him. Your prayers for him and us are needed and will be greatly appreciated.

My health is holding up.

Glenda is still not currently experiencing any adverse reactions to her medication, but she is not responding as well as hoped. Her doctor has increased her dosage. She had to receive another 2 units of blood just before thanksgiving. We really appreciate all the prayers from our Christian family.

Thanks for your continued support of the work here and your prayers for my family and the members of the congregation.

Nov'17 support:

North Beach.....\$ 500/mo.

Midway church....\$ 1425 / mo

May the Lord's Word continue to spread there.

In the Lord DAVID REEVES
