

May 2019 report

Dear brethren,  
Hope all is well there.  
About the congregation:

Most all are well now, after some colds and allergy issues.  
Sister Dorothy Warren , who has AFIB and congestive heart issues, is continuing to do much better. She is weak, but is still making sunday morn worship. Her husband Ray has a foot infection and is not doing well with it. He is in a nursing home.

Sister Rachel Scheuerman is still doing good. Her job has become parttime, but is getting nearly 30 hrs/wk., making morning worship and wed nite classes difficult to make. And, she still has her 3 grandkids. She is doing pretty well, but needs prayers for strength. So far she is usually able to make at least one service a week. Her mom in south Tx is not doing well healthwise.

We are continuing to try to work with sister Deb Westerman in trying to get her back to worshipping regular, but she is still having spiritual, personal, and family issues. Please pray for her.

Sister Nancy Crews is doing well after the loss of her mother in the middle of Apr. Keep her in your prayers.

J.W. and Patsye Greenwood placed membership the end of May. They had worshiped with us several years ago, but left. They are both having health and memory issues. Please remember them in your prayers.

All other members seem to be doing well spiritually, especially with some of the extended family issues they are having.

We had no visitors in May.

About Glenda and me:

Glenda is doing fairly well. Still tires very quickly. We attribute the progress to everyone's prayers for her, so thank you all so much.

I've been in good health, so hopefully that will continue. I did a Wed nite lesson for the Old Granbury Road church on May 5<sup>th</sup>. Talked about Sarah. I think it went well. I talked with one of the elders there about doing a meeting in spring of 2020.

Physically and spiritually we continue to do well. Again, thanks for your support and prayers.

May 2019 support:

Midway.....\$1500/mo

North Beach.....\$500/mo

Weatherford.....\$600/mo

We continue to pray that the Lord's Word will spread.

Thanks again for your prayers and support.

In the Lord
