## 2020 September Report

October 1, 2020

### North Beach CHURCH OF CHRIST

Esteemed brethren at North Beach,

It seems like just a few days ago I was writing and emailing you my last report. Time is marching on very rapidly. We are having good days and bad days. Our faith is challenged every day by forces and influences that are outside our control. Yet, as Christians we *respond soberly* (Titus 2:11-15). We get into trouble when we react to these earthly issues. As to us, we are well and safe – grateful to God for His care. Appreciative for all you do to make our work possible amid these trying times.

**Santo Domingo, Dominican Republic** – As you already know, I had plans to be in Santo Domingo the last week of September. These plans were interrupted last week when the tropical depression brought strong winds and heavy rains to our area in Cypress – causing severe damage to the roof of our house. The roof damage is now repaired. In the coming days, the interior damaged areas should be restored. I am in the process of rescheduling my preaching trip to Santo Domingo and other trips that are to follow. I should have specific information in the coming days.

**Skype** – At the invitation of the Lord’s people in Dos Hermanas, Spain (a suburb of Seville) – I taught a Bible class on “Conociendo a los apóstoles” [*Getting to Know the Apostles*]. These studies took place via Skype the first four Tuesdays in September. Besides having the local brethren connected, brethren in other cities in Spain, Chile, El Salvador, and Nicaragua joined the online Bible study.

**In-Person** – Our children, Caleb, Ciara and Catia, returned on September 8<sup>th</sup> to their secular schooling. They are glad to be back in-person.

**Finally** – We remember all of you in our prayers. We pray that God will keep you well and safe – and that much good will continue to come from all your good works.

When you pray, please remember us and the work I am doing.

In Christ,  
Ruben C. Amador
