

10/3/20

Dear brethren,  
Hope all is well there.

Everyone is doing very well here.

In-person worship continues to go well. We started back on our regular schedule of classes and worship times. Seems to be going well.

I'm still sending my N.T. class study notes to all the members to encourage in-home study. I am still sending the notes to those who aren't coming to classes regularly.

Please keep sister Rachael Scheuerwman in your prayers. Rachael seems to be doing O.K. for now, but she continues to have trouble getting her work schedule set-up so she can make worship regularly. She needs to be worshipping because she is not that strong.

Lora Cotton's mom Hope Doss is still up and down with her memory and health issues, so prayers for them are appreciated.

Sister Brenda Bullock is doing better with her health issues. Thanks for the prayers from all. All other members seem to be doing well spiritually and physically.

I had mentioned (at least I think I had) previously that I had started sending my class study notes to Debby Westerman a few weeks ago. (She had stopped coming to worship about two years ago and I couldn't get her to respond to attempted contacts). I finally got ahold of her on the phone. She is very weak in the Lord, and needs a lot of study and prayers. She has promised to be at worship tomorrow.

About Glenda and me:

Nothing new with Glenda. She is still doing O.K., but gets very tired very quickly. We believe everyone's prayers have helped her so much, so thank you all very much.

I continue to have good health, so hopefully that will continue.

Physically and spiritually we and the congregation continue to do well. Again, thanks for your support and prayers.

We ask you to continue to remember fellow Christians in our country and the world as it is not looking good for God's people in the coming years. Satan is working very hard and seemingly successfully to undermine the Faith of many. The pandemic and the protesting and rioting appear to be here for awhile. We can only pray this will cause more to evaluate their spiritual condition and turn to the Lord. All we can really do is spread the Word, and pray to God to help us in His work, come what may.

Sept 2020 support:

Midway.....\$1500/mo

North Beach.....\$500/mo

Weatherford.....\$600/mo

We continue to pray that the Lord's Word will spread.  
Thanks again for your prayers and support.

In the Lord  
David Reeves
