Report October 2020.

Beloved brothers.

My fraternal greetings from Chile.

Again in contact by this means to report our work in the Lord's work in the midst of the Covid 19 pandemic. We praise our God for his mercy that has been extended to us protecting us from the consequences of this pandemic that plagues the whole world . Although the situation continues to be difficult, since we have several brothers without work, even so, our God has protected us by always providing what is necessary.

## **TEACHING IN THE LOCAL CHURCH.**

By order of the health authorities, we cannot meet in the church building, as the contagion of Covid 19 has risen and they have prohibited all public meetings. We continue to use the ZOOM, Skype and WhatsApp platforms to teach the word of God. We carry out Bible studies for the church in Limache on Tuesdays and Thursdays, on Sundays we teach in the morning and afternoon. Brother Rubén Toledo, my preaching partner, is teaching Bible lessons on marriage, touching on topics such as: The role of the husband, the role of the wife, and raising children.

Our concern is to meet the needs of the local church and we strive to strengthen the faith of our brothers in Christ, using the means available. This server is presenting various biblical topics according to the spiritual needs of the congregation. Also through the telephone we are giving advice to couples, answering biblical questions and guiding the brothers in these difficult times.

## **TEACHING THROUGH THE INTERNET.**

This month I have presented Bible lessons, through the ZOOM platform, for some churches in Colombia, in the following cities: 3 churches in Bogotá, Ibagué and Villavicencio. I also taught Bible lessons for the church

in Managua, Nicaragua. I teach Bible lessons for some churches in Chile, brothers in the city of Loncoche, Ancud etc. Brothers from Uruguay, Ecuador, Peru, Mexico, Colombia, Venezuela, Nicaragua, Panama, etc. are always present in our virtual meetings.

Although the effects of the pandemic keep us at home, we can continue to teach the powerful word of God, using all available means.

### **HEALTH OF MY WIFE.**

Inés, my beloved wife, after 25 days in the hospital, has undergone an operation and the gallstones have been removed, which had caused great discomfort to her health. Thanks to the mercy of God and the many prayers of our brothers, today she is recovering satisfactorily at home.

Dear brothers: I always thank God for your communion in my work of preaching the gospel in Chile and South America. Our mighty God bless you and keep you in these difficult times that the world lives.

His brother,
